

PHILPONNAT

Réserve Rosée

Pure cuvée of Pinot Noir (70%), of Chardonnay (25%) and Pinot Meunier (5%). The colour comes from 7 to 8% of red Pinot Noir grapes from our own vineyards, generally from Clos des Goisses, at Mareuil-sur-Aÿ.

Reserve wines: 20 to 35%, these are blended again every year in a

"Solera" fashion in order to incorporate older wines without losing freshness.

Appearance: Light pink, slightly salmon color that can become coppery over time. Delicate and creamy bubbles.

Nose: Berrylike with nuances of cherry and wild strawberry. With time, some hints of mandarin and pink grapefruit rind will develop.

Palate: Fine clean attack. Full and long mouth, prolonged by a good acidity and a light astringency that brings out the fruit.

Ostettu Epernaysta keväällä 2011 (42 €).

MUDD 2004
Channing daughters
Bridgehampton, NY

Red grapes on the East End of Long Island, ever. Our 2004 MUDD is composed of 61% Merlot, 28 % Cabernet Sauvignon. All the fruit was hand-harvested on the North Fork and de-stemmed into small one ton bins where it was stomped on by foot and punched down by hand.

MUDD is dry, medium-bodied, has moderate 12.5% alcohol, balanced acidity, soft, ripe tannins and wonderfully persistent length. The wine is complex and displays finesse and elegance in its captivating texture and expression of fruit and wood.

There are aromas and flavors of black plums, cherries, brown spice, forest floor, black raspberries, black peppercorns and cocoa.

Pair this graceful, satisfying red wine with a pork roast, a juicy rib-eye or a succulent rack of lamb. In addition, a mushroom risotto, braised pancetta wrapped monkfish or a cozy fire and a hunk of aged alpine cheese would do the trick quite nicely. 848 cases were bottled along with 48 magnums and 12 three-liter bottles.

Warm Lake Estate
Niagara Escarpment,

The summer began warm and dry producing wines of great color and structure. The nose is intense and complex with strawberry, raspberry, cherry, dark fruits, vanilla and spice. The palate confirms the complexity experienced on the nose repeating the same complement of fruit. With intense fruit and a Grand Cru structure the wine represents the best of the old and the new world wine experiences. The finish is long, lingering and jam packed with fresh fruit and a Grand Cru structure which comes from our limestone rich soils.

VINIFICATION & STYLE

This wine was matured for 18 months in a combination of new French and American Oak 300 l barrels and is made in a typical Rhone style.

TASTING NOTES

Appearance: Dark, intense.

Aroma: Rich, classic red fruit aromas, most notably plum and mulberries, are immediately prevalent on the nose, and supported by subtle floral aromas emerging from the small amount of Viognier added to the wine.

Palate: This initial orange peel impression from the Viognier is overpowered by attractive red fruit flavours on the mid palate. The wine shows ripe, oaky tannins and a well structured finish.

Impression: “I believe we succeeded in capturing the very essence of both France (Rhone) and South Africa (Stellenbosch) in this wine.” – Jean Engelbrecht
